

KAEL INTERIORS

COMPANY PROFILE · 2026–2027

Upholstery & soft furnishings, made to measure

Yachts, interiors and hospitality · Palma de Mallorca

Crafted Textures. Tailored Spaces.

kaelinteriors.com

A Palma workshop built for professionals

Kael Interiors is an upholstery and soft furnishings workshop in central Palma. We make cushions, sunpads, covers, biminis, sprayhoods, upholstered seating and curtains to measure, on board and ashore.

We work directly for shipyards, yacht managers, interior design studios, furniture stores and villa managers. We measure, template, sew and fit: every step goes through our own hands.

SERVICES

Kael Marine

Cushions, sunpads, covers, biminis and sprayhoods in marine-grade fabrics. Measuring and fitting on board.

Marine Express

Urgent repairs within 24–48 h during the season.

Kael Trade

A workshop for studios and stores: curtains, blinds, cushions, headboards and upholstery. White-label option.

Season Ready

Pre-season soft furnishings refresh for villas and hotels, fixed quote per property.

Kael Home

Sofas, armchairs, chairs, curtains and cushions for private clients.

A bow sunpad, from template to fit

1 · Template on deck

2 · Made in our workshop

3 · Fitting on board

4 · Finished

OTHER WORK

Sun loungers · NYX Hotel Ibiza

Wingback armchair re-covered

Striped cushions

Hospitality parasol

From first message to final fit, no middlemen

01

Send us photos and measurements

By WhatsApp or email. If needed, we come to measure on the yacht, site or villa.

02

Quote within 24 hours

Labour and materials itemised, no surprises.

03

Made in our workshop

Templating, cutting and sewing in Palma, in technical fabrics or the fabric you choose.

04

Fitting and adjustment

We install and adjust on site until it is right.

WHY KAEI

- Direct workshop prices: no middlemen
- One point of contact, from quote to fitting
- Our own workshop in Palma, near the yards and marinas
- White-label service for studios and stores

LET'S TALK

Send us photos and measurements of your project and we will reply with a quote within 24 hours.
